Presents

24-HOUR HACKATHON

HACKCELERATE

Transforming Ideas into Reality...!!

#WomenInTech

21st & 22nd November, 2025

ABOUT THE HACKATHON

The 24-Hour Hackathon is dedicated to empowering women in technology by providing a supportive and inspiring environment to innovate, collaborate, and create solutions that address real-world challenges. Our mission is to bring together women to showcase their skills and foster meaningful connections. Participants will have the opportunity to learn, grow, and make a tangible contribution by building projects focused on having real time impact.

WHO CAN PARTICIPATE..?

- Open to all women engineering students from any branch or year of study.
- Welcoming first-year to final-year students—no prior hackathon experience is required!
- Ideal for students who are curious, creative, and enthusiastic about solving real-world challenges.
- An opportunity to connect with like-minded peers, sharpen skills, and create impact.
- Perfect for anyone passionate about technology and ready to collaborate with other inspiring women in engineering.
