**HACKCELERATE – 2025**  
***Transforming ideas into reality...!!***  
**RULES FOR ABSTRACT SUBMISSION**

**1. Team Composition**

- Strictly three members per team.
- A student cannot be part of more than one team.

**2. Problem Statement Selection**

- Problem statements are divided into three tiers based on complexity and innovation.
- Each team must select and submit abstracts for two problem statements of their choice.
- The two chosen problem statements must belong to different tiers.

**3. Abstract Submission Guidelines**

- Abstracts must strictly follow the template provided by the organizers.
- Submissions that do not adhere to the template will be disqualified.
- Ensure that the abstract is concise, clearly addressing the problem, approach, and expected outcomes.

**4. Deadlines and Timeliness**

- All submissions must be made before the deadline. Late submissions will not be considered.
- Teams are encouraged to submit well in advance to avoid technical issues.

**5. Post-Submission and Shortlisting**

- Submitted abstracts will be reviewed by a panel of judges.
- If shortlisted, teams will work on the problem statement selected by the organizers from the two submitted.

**6. Integrity and Originality**

- Abstracts must be original and created solely by the team members.
- Plagiarism or copying from existing projects will lead to disqualification.

**7. Submission Platform**

- Abstracts must be submitted through the official platform specified by the organizers.
- Ensure all team details (names, branch, semester) are correctly filled out during submission.

**8. Communication and Queries**

- Teams must regularly check the communication channel (email, official website, WhatsApp) for updates or clarifications.
- Queries related to abstract submission must be addressed before the deadline.

**9. Finality of Decisions**

- The decision of the organizers regarding shortlisting and problem statement allocation will be final and binding.

**NOTE:**

- Teams are responsible for ensuring their submission is complete and error-free.
